

The New Revelations

One articulation of the *New Spirituality* is given in *The New Revelations* (2003) by Neale Donald Walsch.

1. God has never stopped communicating directly with us. God has been communicating with, and through, human beings from the beginning of time. God does so today.
2. Every human being is as special as every other human being who has ever lived, lives now, or ever will live. *We are all messengers*. Every one of us. *We are carrying a message to Life about Life every day*. Every moment.
3. No path to God is more direct than any other path. No religion is the “one true religion”, no people are “the chosen people” and no prophet is “the greatest prophet”.
4. God needs nothing. God requires nothing in order to be happy. God is happiness *itself*. Therefore, God requires nothing of anyone or anything in the universe.
5. God is not a singular Super Being, living somewhere in the Universe or outside of it, having the same emotional needs and subject to the same emotional turmoil as humans. That Which Is God cannot be hurt or damaged in any way and so has no need to seek revenge or impose punishment.
6. All things are One Thing. There is only One Thing, and all things are part of the One Thing That Is.
7. There is no such thing as Right and Wrong. There is only What Works and What Does Not Work, depending on what it is that you seek to be, do and have.
8. I am not my body. Who I am is limitless and without end.
9. I cannot die, and I will never be condemned to eternal damnation.
